This matter comes before the Public Service Commission of South Carolina (the Commission) on the request for relief of Dr. Henry L. Jolly, Jr. against BellSouth Telecommunications, Inc. (BellSouth). It appears that there are difficulties with the listing of Dr. Jolly's telephone number.

We have examined this matter, and believe that Dr. Jolly is entitled to relief. BellSouth is hereby ordered to design an "intercept" that will be heard if someone dials Dr. Jolly's telephone number as printed in the telephone directory. The intercept will state as follows: "You have reached 864-489-0375. Dr. Henry L. Jolly's number has been changed to 864-489-2221. If you wish to speak to Dr. Ronald W. Barrett, please push "0"

(zero)." We believe that this will alleviate the problem.

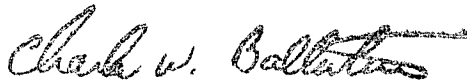

This Order shall remain in full force and effect until further
Order of the Commission.
